Major(s) (list all) _____

Professional Admissions received (or expected date) _____

Acceptance information

- **Application deadline: Preferred Selection begins January 21st, 2008**
- **Acceptance policy:** Acceptance into the McGuire Entrepreneurship Program is conditional based upon submission of required application materials and recommendation by the Selection Committee.
- **Spring Orientation:** All students are required to attend program orientation sessions, to be scheduled in March/April, as well as complete summer skill and concept building modules. Orientation sessions are mandatory and will be scheduled in the early evenings. All other work may be completed remotely. Information on summer skill and concept building modules will be provided during the spring orientation sessions.

Candidate application requirements

- Complete prerequisites: ECON 330; FIN 311 or FIN 360; MKTG 361 prior to Fall 2008 semester.
- Attain Professional Admissions in the Eller College of Management prior to Fall 2008 semester. Students applying with Spring 2008 Professional Admissions expectations may have core course conflicts. Applicants are encouraged to coordinate with home departments.
- Submit a completed application
- Submit a personal essay (*two-page maximum*) discussing your interest in the McGuire Entrepreneurship Program and entrepreneurship in general. Please include any business ideas and a summary of any professional experience.
- Provide two letters of recommendation (*professional or academic*) from sources **outside** the Eller College of Management
- Submit a current resume.
- Submit fall 2007 transcripts (*unofficial acceptable*).
- Arrange selection committee interview (*interviews to be arranged and conducted in January 2008*).
